WONDERFUL JAPANESE IRIS

The Japanese Iris is quite distinct from the Garden Iris. The blooms are perfectly flat when open measuring six to ten inches in diameter; one large clump often producing as many as thirty-five or forty bloom stalks. The flowers of pure white, lavender pink, dark purple, maroon, violet, plum marvelously pencilled and striped, are excellent for home decorations and will keep from a week to ten days, coming out as do the Gladioli until each bud has opened. No up-to-date garden should be without a goodly number of these exquisite Japanese Iris. At our very low price, you should order at least a dozen.

BEAUTIFUL GARDEN IRIS

No planting is more colorful or beautiful in the early Summer than a bed or border of Garden Iris. Iris has been so improved in variety of color and size of flowers that it can hardly be compared with the Iris of years ago. Our field of Iris includes every color and variety obtainable from the deepest purples and lightest blues to beautiful mixtures and combinations of yellow and bluish purples. We offer this Iris in mixed colors only. Plant a border of these beautiful Garden Iris and you will have a colorful riot of flowers that will come up year after year with scarcely any attention. Garden Iris will grow and thrive in almost any soil. Include at least a dozen in your order; a hundred or more for a longer border.

Madam Butterfly

Flowers a brilliant pink suffused apricot and gold, buds carried on erect stems; foliage and habit of growth unsurpassed.

Los Angeles

A luminous flame-pink, tamed with coral and translucent gold at the petals; buds long and pointed which expand into a beautiful and fragrant flower.

Red Radiance

A counterpart of Radiance from which it is a sport possessing all the good traits of that valuable variety but differing in color which is a bright rose-red.

Radiance

Brilliant, rasy opaline-pink. Large, free and of beautiful form with sweet fragrance. In bloom during unfavorable weather when many other varieties fail.

Souvenir De Cladius Pernet

Its color is definite and largely uniform—yellow deepening in the center and it retains this color indoors and outdoors, in bud and open bloom. Buds are produced on long, stiff stems.

Ulrich Brunner

Flowers crimson-red of fine form, substance and size, very fragrant; foliage strong and of good color; growth robust, sending out long, strong and well formed stems.

Kaiserine Auguste Victoria

Outer petals of flowers creamy white, center petals Naples yellow, large, full and of good form.

Mme. Ed. Herriot

Crimson-red, shaded with yellow and bright rosy scarlet. Strong with height—green, glossy foliage. Made famous when it won the London Daily Mail Gold Cup.

Etoile De France

Rich velvety crimson, center ruby-red; large and double. The strong, upright bushes have beautiful green foliage; like hot weather and are constantly in bloom.

Sunburst

Deep cadmium-yellow, with orange-yellow center; large, full and of beautiful form.

Lady Ashtown

A very free flowering variety, producing fine blooms throughout the season. The flowers are large and of a delicate rose color shading to yellow at the base.

Premier

Dark pink flowers of full size, and pleasing fragrance, borne singly on stiff, thornless stems.

TALISMAN The Sensational 1929 Introduction

The new rose 'Talisman', the sensation of the 1929 season, was first introduced in that year, selling at \$2.50 and \$3.00 each. It is one of the most remarkable roses that are known. The coloring, a combination of shadings of gold, apricot, yellow and deep pink or red; the outside of the petals is bright golden yellow and pink. As the flowers develop and the petals unfold they become bright apricot, gold, deep rose-pink, or old-rose and, unlike most roses, the coloring becomes lighter as the flower develops. The bud is long and

perfectly formed. The plant is a strong, vigorous grower with glossy green foliage and free flowering. Truly a remarkable rose deserving all the gold medal awards it received in the year 1929. You will wish to add this variety to your rose garden and we fortunately have been able to secure just a few hundred of them that we can sell at \$1.79 each or 2 for \$3.50. We suggest that you order early as this limited stock surely will not supply the demand.

\$1.79 EACH -- 2 FOR \$3.50

MADAM BUTTERFLY

Betty Upchurch

This one, first introduced in 1922, is fast becoming one of the most popular roses in the world. A bud of Betty Upchurch is magnificent in growth and perfect in form. The coloring is very unusual, copper-red buds opening to semi-double flowers of about average size; brilliant orange-crimson on outer surface of petals showing light salmon reflexes; spicy fragrance. Selling regularly at \$2.00 each, our price now only \$1.00.

Wilhelm Kordes

This is one of the most marvellously colored roses of recent years. Almost any color description would suit it at one time or another and it is always bright and distinct. A rich copper-red with coppery millions overlying a golden salmon ground, varying in intensity under different weather conditions. The buds are long and pointed opening to double, high-centered, very fragrant flowers. A \$1.50 rose, our price now \$1.00.

Dame Edith Helen

The flowers of the Dame Edith Helen are composed of very substantial broad petals which curl back, prettily forming the long pointed bud and a full double flower which is beautiful in every stage of development. Immense in size the color is a brilliant yet soft pink; strongly sweet scented. Selling regularly at \$1.50 each, our price now only \$1.00.

Mrs. A. R. Barraclough

Introduced in 1926, its ever increasing popularity is now demanding that a place be made for it in every garden. Noteworthy for large size and good color; enormous, pure, pink flowers shaded with clear light yellow at base of petals. Beautifully formed and unusually fragrant. A long stemmed, vigorous bloomer. You will want this \$2.00 rose—our price now \$1.00 each.

THE BLUE RAMBLER

The Blue Rose is a sport of the Crimson Rambler, and is one of the most rampant growers we have ever seen, covering a large porch in a single season. The flowers are borne in loose clusters and are a delightful shade of blue, something entirely different from any rose now in cultivation. A recent introduction that will be a real addition to your rambler collection.

60c EACH---3 FOR \$1.50

THE YELLOW RAMBLER

You will surely want this beautiful Rambler, producing as it does large clusters of double golden-yellow flowers in great profusion. A strong, hardy, vigorous grower; it makes a great show; in full bloom its solid mass of beautiful glowing golden-yellow demands instant attention.

60c EACH---3 FOR \$1.50

THE FAMOUS DOROTHY PERKINS CLIMBERS

WHITE DOROTHY

A pure white sport of the Dorothy Perkins, of the same habit of growth and freedom of flowering; a splendid companion for the pink variety as it flowers at the same time.

RED DOROTHY

The color is an intense clear crimson-maroon, with tips of petals tinged scarlet. Flowers are full and double, produced thirty to forty on a stem, and almost every eye on a stem produces a cluster of bright blossoms.

PINK DOROTHY

Extremely hardy. The flowers are borne in clusters of from six to ten and are very double, with prettily wrinkled petals. Remarkably pretty painted buds, clear shell pink in color, lasting a very long time. The flowers are sweet scented.

50c EACH -- 3 FOR \$1.25 -- 12 FOR ONLY \$3.75

Climbing American Beauty

A Beautiful Rose. One plant will produce twenty times as many blossoms as the old American Beauty. Over nine hundred blossoms and buds have been counted on one four-year-old bush. The roses grow on single stems and measure three to four inches in diameter. It is perfectly hardy, and the foliage is green and beautiful until the snow flies. It is a worthy ornament to any garden and its beauty and fragrance will prove a lasting pleasure. If you are a lover of roses, do not fail to plant it. You can't have too many Climbing American Beauties.

Plant it wherever you have place for a Climbing Rose. If you think you have no place for a climber make one, for no other plant will give so much beauty with such little care and expense as this wonderful rose.

60c EACH -- 3 FOR \$1.50

Paul's Scarlet Climber

The sterling qualities of this great rose will win for it a reputation beyond that of any other Crimson Rambler; a strong grower, it soon makes a good display; and for brilliancy of color it is beyond compare—a bright, flaming scarlet. The petals do not fade like many climbing roses, but retain their bright color, and remain in bloom far from two to four weeks. After their blooming, its bright foliage, which is free from mildew and disease, as well as insects, still makes it a worthy ornament to any garden.

60c EACH -- 3 FOR \$1.50

CLIMBING MONTHLY ROSES
